TextMyGov Announcement

The Village of Kirtland Hills is introducing TextMyGov, a convenient and smart text messaging service. This service will enable residents to effortlessly receive important notifications and easily find specific information by texting the Village Hall.

We will officially launch the new text messaging system to the public on **Monday, June 8, 2026**. One household member will receive a text message from **91896** from the Village initiating the service. You can choose to opt-out at any time by texting **STOP**.

If you do not receive the initial message, you can choose to opt-in by texting the keyword "**KIRTLAND HILLS**" to the number **91896**. After sending the initial keyword, you will be asked to reply "**YES**" to confirm opt-in. Residents may receive notifications about upcoming events, road closures, along with other useful information. We want to assure you **this is not a scam**, and your information will not be sold to other businesses. To verify, feel free to contact the Village Hall at 440-974-9090.

We are excited about this new way of communicating with residents and look forward to sharing important Village notifications. Other governmental entities across the country are utilizing this system with great success. Stay informed, stay ahead.

Sincerely,

A handwritten signature in blue ink, appearing to be "AS" or similar initials.

Mayor
